

# Why Again

## Vybz Kartel

Why you keep on doing it and know you shouldn't try?  
Why you treat your girls and eat your girls like they are pie?  
Why you keep on talkin' and you runnin' off your beak?  
Now we know you know that you go low and you won't speak.

Mi ask him why him doin' it him couldn't reply  
So mi take off piece of him face wid a ply  
Mi no Georgie Porgy no pudding no pie  
If a mi fi nyam ooman I couldn't not I  
Man fi stick to woman like Olive and Popeye  
Elephant Man ma liver ma bliver nuh shy  
When bwoy a plead and a beg and a buy  
Our style hello, fuck her, bye bye  
Big man a big man boy a boy  
Bullet wid gunpowder no Lasco Lasoy  
Sen any which boy fi get destroy  
Dis boy nuh take no chat so nuh try

Why you keep on doing it and know you shouldn't try?  
Why you treat your girls and eat your girls like they are pie?  
Why you keep on talkin' and you runnin' off your beak?  
Now we know you know that you go low and you won't speak.

Nuff a dem no love when you rolling high  
"Weh dem woulda want you do" strolling by  
Nuff a dem no love when you rollin' deep  
"Weh dem woulda want yuh do" strolling cheap  
But money inna a bill fold whenever wi roll  
Skill a Dan Alan "Skill" Cole, whenever we roll  
No platinum my chain will forever be gold  
Oonu go tell Mr Madden dig a big hole  
Fi a niggas weh a frig another nigga fi gold  
And if a bitch tek her mumma man di bitch a creech owl  
Vendetta our story has never been told
