

# Love Me For Me

## Da'Ville

I'm not the girl that you see in the magazine  
Perfect face and perfect body  
Never be anyone but the one I am, what I am  
I can't bend to your expectations  
Look to fulfill any fantasy  
If what I am is what you need  
Love me for me  
And not for someone that I would never be  
'Cause what you get is what you see  
And I can't be anymore than what I am  
Love me for me or don't love me  
Don't think you're gonna change what's inside of me  
Make me who you want me to be  
Won't be someone I'm not  
For somebody else, someone else  
Love me with all my imperfections  
Not for an image of your design  
Love me for what you see inside  
Love me for me  
And not for someone that I would never be  
'Cause what you get is what you see  
And I can't be anymore than what I am  
Love me for me  
And not for someone you wish that I could be  
'Cause what you get is what you see  
And I can't be anymore than what I am  
Love me for me or don't love me  
I'd never do anything to change you  
Or make you be anything than who you are  
All that I am is all that I can be  
I love you for you, so love me for me  
Love me for me or don't love me  
Love me for me  
And not for someone that I would never be  
'Cause what you get is what you see  
And I can't be anymore than what I am  
Love me for me  
And not for someone you wish that I could be  
'Cause what you get is what you see

So love me for me or don't love me  
Love me for me or don't love me
