

Zoom

Deem

[Dr. Dre]

I got my mind made up, come on; get in, get into it
Let it ride, tonight's the night, yeah

repeat 2X

Yeah, yeah, come on

[LL Cool J]

Uh, you know you a freak

Before the album went platinum, ya hardly speak
And now you're skin grinnin, gassed off the chrome rims and
twenty room mansion, I rest my Timb's in

Uhh, I feel it how ya shake it

Rings in ya belly, I can't take it

Toss up your Moet, money make it

Last week frontin, tonight butt naked

I got the flava, make em Zoom-a-zoom

The LL Cool J, [fuck it] give me room

Looked up in my eyes as I lowered the boom

Twenty thousand freaks packed up in one room, uhh

[Dr. Dre]

All I wanna do, is Zoom-a-Zoom Zoom Zoom
(Mmmm, whatchu wanna do) Uhh, whatchu wanna do?

repeat 2X

[Dr. Dre]

Once again it's on, can't be home
The crime got me in the zone; homies blowin up the celly phone

The world knew I had to come once mo'

And just to let y'all know, I do my thing and still blow

Nuff to burn ten mill' cells, confirmed

The most anticipated since Tyson's return

So come on everybody let's all get down

Cause what we have, is a brand new sound

[LL Cool J]

All the mommies in the house gettin live tonight
They wanna (Zoom Zoom Zoom, Zoom Zoom-Zoom)

And all my dogs feel the vibe tonight

They wanna (Zoom Zoom Zoom, Zoom Zoom-Zoom)

Say what?

[Dr. Dre]

All I wanna do, is Zoom-a-Zoom Zoom Zoom
(Mmmm, whatchu wanna do) Uhh, whatchu wanna do?

[Dre] All I wanna do, is Zoom-a-Zoom Zoom Zoom

[LL] Dre, whatchu wanna do?

[Dre] Mr. Smith, it's on you, uh

[LL Cool J]

In other words, it's gon' be like that
You young boys is blind, I'm seein them cats
Evolutionary (what?) Revolutionary and legendary
I got a climax waiting for each and every cherry
I'm like a narcotic, niggaz is microscopic
Dr. Dre and Cool J, is the topic
Forever, my lyrics is rough and energetic
Them cats is blazin? I don't get it, they cosmetic
If shorty wanna step up? I'll twist his neck up
You can't get no money battling me; that's like ripping your check up
What partna? Take ten paces and turn around
That quick, yo' whole ghost town is burnin down (Wooooof!)
What I spit, manipulates whole clicks
Make em conversate on how real niggaz ride my dick
It's like a serum, I just can't hear em
All them new niggaz poppin new shit, I never fear em
As we proceed
To give you what you need
Satisfaction guaranteed
Work and die
Yeah, yeah
[Dr. Dre]
I got my mind made up, come on; get in, get into it
Let it ride, tonight's the night, yeah
repeat 3X
