It's ya boy, David Banner  
I'ma see if I can bring the gangsta walk back  
Memphis, Mississippi, everybody from the South  
Let's walk!  
Gon' gangsta walk, gon' do it, motherfucker  
Gon' gangsta walk, gon' do it, motherfucker  
Buck jump, motherfucker, buck jump, ya bitch

We represent Memphis, 'Sippi  
And I don't think y'all really wanna get wit me  
We started gangsta walkin', nigga, now no MC Hammer  
Just a really dealy, get you hyper than hype  
No cut or no arm 'n' hammer  
Slam a hater to the flo', stomp 'em all on in dat hole  
Mean as hell on dat liquor, meaner than dat on that blow  
So don't push me, motherfucker, push me motherfucker, push  
I'm affiliated wit more terrorists than G Bush, bitch!  
We got them niggaz gettin' wild, gettin' buck, havin' fist  
Put a bottle in their hand, put a blunt to their lips  
Gangsta walkin' in da club, err'body gon' piss  
And da hoes on the corner workin' graveyard shift  
Yeah, they call me the juice from that north north set  
Where they rob for the folks and they divvy up the net  
Ain't no talkin', fuck some talkin', we gon' shoot 'em in they chest  
If a coward wanna jump, it's gon' be a bloody mess, bitch!  
Gon' gangsta walk, gon' do it, motherfucker  
Gon' gangsta walk, gon' do it, motherfucker  
Buck jump, motherfucker, buck jump, ya bitch  
Buck jump, motherfucker, buck jump, ya bitch  
Gon' gangsta walk, gon' do it, motherfucker

Now we can get it buck in da club  
With niggaz I suggest you tuck yo' chain

Fuck security, find out they can't do a thang

Stompin' hoes to the flo' and never scared to pop heat  
Ah, hammer on your bird, on the chest, don't talk shit tonight  
Ain't no thang to bust yo' head and start a fight  
Like bitch, what's up now? North Mississippi in this bastard  
Fuck around my nizzle and get your whole body plastered  
I remember the wall trick, if you got some manner  
Gangsta walk yo' ass over here pumpin' to Banner  
Yeah! It'll be fabulous if you leave  
'Cuz I'm tryin' to stomp your body till yo' ass can't breathe  
Gon' gangsta walk, gon' do it, motherfucker
