

Rollerskate

Gurr

Super duper blasting rollerskate
8pm I'm hanging out with my mates
We're a gang, we're the greasers,
There's a riot we bump into the cheetahs It scares me when Johnny's right next to my (hey baby)
They have stolen our strategy
Obviously
We push to get faster
But now here's the disaster Do you hear the sound, when I hit the ground?
Roller-roller-skate-skate-roller-roller-skate-skate
As bad as with a bad, smash into your face strike...
As evil as can be I say, as evil as can be I say
On the roller-skate roller-skate roller-skate roller-skate
