

Edie (Ciao Baby)

The Cult

Always said you were a youth quaker, Edie
A stormy little world shaker
Oh, Warhol's darling queen, Edie
An angel with a broken wingThe dogs lay at your feet, Edie
Oh, we caressed your cheek
Ooh, stars wrapped in your hair
Ooh, life without a care
But your not thereOh, caught up in an endless scene, Edie
Yeah, paradise, a shattered dream
Oh, wired on the pills you took, Edie
Your innocence dripped blood, sweet childThe dogs lay at your feet, Edie
Oh, we caressed your cheek
Ooh, stars wrapped in your hair
Ooh, life without a care
Ciao babyShake it, boyOh, sweet little sugar talker
Paradise dream stealer
Oh, Warhol's little queen, Edie
An angel with a broken wing, ohThe dogs lay at your feet, Edie
Oh, we caressed your cheek, well
Stars wrapped in your hair
Ooh, life without a care
Yeah, yeah, yeahWhy did you kiss the world goodbye?
Ciao baby
Don't you know paradise takes time?
Ciao, yeah
Why did you kiss the world goodbye?
Ciao baby
Don't you know paradise takes time?
Ciao, yeahCiao baby, yeah
Ciao baby
Ciao baby, yeah
Ciao baby
