

Why so Blue

Sawyer Fredericks

I get into the car again
Turn on the radio
Station
Only like a few songs
And they never
Play them.

Turn off the radio
Put in a CD
I know I love.
Only problem's
That I've
Listened to it
A thousand times.
Whoa whoa

Time I get there
I'm still stressed.
Don't know why I'm so
Worried about this.
And I know I'm gonna
Turn out fine.
But there's still
Fear in my eyes.

Why
Must I be
So afraid?
Why
Must my life
Be so plain?

(She says to me)
Hey Darlin'
Why so blue?
Hey Darlin'
Whatcha doin'?
Hey Darlin'
This is You.
And Hey Darlin'

Why so blue?

And I wake up,
I go downstairs.
Turn on the TV
As quick as I can.
Most of the time
Just sitting around.
Nothing to do,
Just singing
About you.

And I wonder what she's doing today
Itâ€™s probably more than me.

(She says to me)

Hey Darlin'
Why so blue?
And Hey Darlin'
Whatcha doin'?
Hey Darlin'
This is You.
Hey Darlin'
Why so Blue?

Time I get there
I'm still stressed.
Don't know why I'm so
Worried about this.
And I know I'm gonna
Turn out fine.
But there's still
Fear in my eyes.

Why
Must I be
So afraid?
Why
Must my life
Be so plain?

Why
Must I be
So afraid?
Why
Must my life

Be so plain?

(She says to me)

Hey Darlin'

Why so blue?

And Hey Darlin'

Whatcha doin'?

Hey Darlin'

This is You.

And Hey Darlin'

Why so blue?

(repeat)
