Silent Scream

Stutterfly

Can't take my life without a fight,
Don't kill my soul,
You have no right,
I feel, (I feel) the pain inside,
I see, tears in your eyes
I want, (I want) to see the light,
Mother, I say goodnight.You stole my life,
Ripped my body apart,
A silent scream from my lungs,
You stopped my beating heart.I feel, (I feel) the pain inside,
I see, tears in your eyes
I want, (I want) to see the light,
Mother, I say goodnight.Please let me choose
if I want to live,
I was alive
I had no choice
I cried out loud,
No one heard my voice,I felt, (I felt) the pain inside,
I saw, (I saw) tears in your eyes,
I wanted, (I wanted) to see the light,
Mother, I say goodbye.
