

Tell Me You Love Me

Desert Noises

C'mon, I can feel it now
I said, hey, I know it's been a minute
Since it's been good, baby, I ain't lyin'
 You know a lil' somethin' missin'
Let me give you a piece of my mind
 Maybe I need a little attention
 Maybe I need a little more time
 Maybe I need a little affection
 Baby, I need you to just tell me
 I'm gonna make you love me
 I'm gonna make you love me
 I'm gonna give you what you never had
 'Til you're always thinkin' of me
 I'm gonna make you love me
 I'm gonna make you love me
 I got what you need and you gon' see
 Baby, I'm gonna make you love me
 So just tell me you love me
 I know I ain't the one to play
But I'ma tell you my love don't come cheap
 You act like you don't want it
But I'll make you, I'ma make you see
 Maybe I need a little attention
 Maybe I need a little more time
 Maybe I need a little affection
 Baby, I need you to just tell me
 I'm gonna make you love me
 I'm gonna make you love me
 I'm gonna give you what you never had
 'Til you're always thinkin' of me
 I'm gonna make you love me
 I'm gonna make you love me
 I got what you need and you gon' see
 Baby, I'm gonna make you love me
 So just tell me you love me
 Tell me you love me
 Tell me you love me
 Just tell me you love me
Ladies, if you love him and your lovin' so good

But he don't love you like you know he should
Say hey, hey, hey, hey, say hey, hey, hey, hey
Though he ain't tryin' to hear nothin' you say
But you know he'll love at the end of the day
Say hey, hey, hey, hey, say hey, hey, hey, hey

I'm gonna make you love me
I'm gonna make you love me
I'm gonna make you love me
I'm gonna make you
I'm gonna make you love me
I'm gonna make you love me
I'm gonna make you love me
I'm gonna make you
I'm gonna make you
So just tell me you love me
Tell me you love me
Tell me you love me
Just tell me you love me
Don't be shy, baby
Give me what you got
Give me what you got
Give me what you got
I'm gonna make you love me
I'm gonna make you love me
I'm gonna make you love me
I'm gonna make you
Just tell me you love me
Just tell me you love me
Just tell me you love me
Just tell me you love me, hey
