

# Happy Is A Yuppie Word

## Switchfoot

Everyone dies, everyone loves a fight  
Nothing is sound, nothing is right side right  
Evening comes when the sun goes down in red  
Nothing is cool, when will all the fighting end  
When will all the fighting end

Happy is a yuppie word  
Nothing in the world could fail me now  
It's empty as an argument  
I'm running down a life that won't cash out  
Cash out

Everything fails, everything runs its course  
A time and a place, for all of this loving war  
Everyone buys, everyone's gotta price  
And nothing is new, when will all the failures rise  
When will all the failures rise, rise

Happy is a yuppie word  
Nothing in the world could fail me now  
It's empty as an argument  
I'm running down a life that won't cash out  
Happy is a yuppie word

Blessed is the man who's lost it all  
Happy is a yuppie word, word  
Looking for an orphanage  
I'm looking for a bridge I can't burn down  
I don't believe the emptiness

I'm looking for the kingdom coming down  
Everything is meaningless  
I want more than simple cash can buy

Happy is a yuppie word  
Happy is a yuppie word  
Happy is a yuppie word  
Happy is a yuppie

Nothing is sound, nothing is sound  
Nothing is sound, nothing is sound  
Nothing is sound, nothing is sound  
Nothing is sound

Happy is a yuppie word  
Nothing in the world could fail me now  
Happy is a yuppie word, word

So calm down, yeah  
So calm down, yeah  
So calm down, yeah
