

# Feelin' the Same Way

Norah Jones

Sun just slipped its note below my door  
And I can't hide beneath my sheets  
I've read the words before so now I know  
The time has come again for me And I'm feelin' the same way all over again  
Feelin' the same way all over again  
Singin' the same lines all over again  
No matter how much I pretend Another day that I can't find my head  
My feet don't look like they're my own  
I'll try and find the floor below to stand  
I hope I reach it once again And I'm feelin' the same way all over again  
Feelin' the same way all over again  
Singin' the same lines all over again  
No matter how much I pretend So many times I wonder where I've gone  
And how I found my way back in  
I look around awhile for something lost  
Maybe I'll find it in the end And I'm feelin' the same way all over again  
Feelin' the same way all over again  
Singin' the same lines all over again  
No matter how much I pretend Feelin' the same way all over again  
Feelin' the same way all over again  
Singin' the same lines all over again  
No matter how much I pretend  
No matter how much I pretend
