

# Christmas In Jamaica (feat. Shaggy & Shaggy)

## Toni Braxton

We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail Toni Braxton  
Mister Boombastic  
Just call me Santa Claus  
Lovers frolickin'  
Playin' in the sand  
Got my Coppertone  
Getting on my tan Exotic setting for a  
Lady and her man  
A perfect little holiday  
Sounds like a plan We can stay in bed all afternoon  
We can make out to some cool reggae tunes  
We can sail under the light of the moon  
Wish we could freeze this moment  
Then it wouldn't end so soon We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail Unplug the phones, why'all  
Don't need no calls  
No callin' home  
Take a break from it all 'Cause we both grown  
And we can do whatever, see?  
Baby, it's just you and me  
Let's live out a fantasy Hiking in the mountains, romantic rendezvous  
Bathing in the fountains, stop, let me look at you  
Just in case you're doubtin', let me paint a view  
Picture you're in heaven, everything is true We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail It's Christmas time let's catch the vibe  
Just come on come on girl

I'm rockin' you Jamaican style  
Just come on come on girl  
We can chill here for a while  
Come on come on girl  
Baby it's just you and me girl  
Come on come on, it's a fantasy  
Just come on come on girl  
Toni Braxton, shut it  
Come on come on, it's a fantasy We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail You know when you come to this Jamaica  
Lovin' it  
I'm an all nighter, girl  
Yeah girl, it's an all nighter  
Sing it to me girl  
We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail We'll be having fun  
Under the golden sun  
Christmas in Jamaica here we come  
We'll just sail on, just sail
