Accept the Pain

Paradise Lost

Like a pill
Like a pill these dreams
Like a pill
Kill almost everythingLike a drop in the ocean
Life's a drop in the ocean
Like a pill it's all the sameAccept the pain, for all who ever tried
For all who triedOverkill, Overkill it seems
Overkill, Feeding off all extremes
Loyalty through emotion
Cruelty kills devotionAccept the pain, for all who ever tried
Accept the pain, as all our fears subside (our fears subside)Like a pill
Like a pill these dreams
Like a pill
It's all the same, it's all the sameAccept the pain, for all who ever tried
Accept the pain, as spirits purify (purify)
