He Has Washed Us

Nathan Tasker

Let us love and sing in wonder
Let us praise the Saviour's name
He has hushed the law's loud thunder
He has quenched Mount Sinai's flameLet us love the Lord who bought us
Pitied us when enemies
Bought us by his grace and taught us
Have us ears and eyes to seeThat He has washed us
He has washed us
He has washed us
In His blood, in His blood, in His bloodLet us sing though fears temptation
Threatens hard to bare us down
Jesus is our strong salvation
He will surely give the crownLet us wonder, grace and justice
Join and point to mercies star
When through faith in Christ our trust is
Justice smiles and ask no more'Cause He has washed us
He has washed us
He has washed us
In His blood, in His bloodAnd He has brought us,
He has brought us
He has brought us
Home to God, home to God, home to GodLet us praise and join the chorus
Of the saints enthroned on high
Hear they trusted Him before us
Now their praises fill the skyYes we praise Thee, gracious Saviour
Wonder love and bless thy name
Pardon Lord our poor endeavor
For you know our sorry frameYou have washed us
and You have washed us
You have washed us
In Your blood, in Your bloodAnd You have brought us
And You have brought us
And You have brought us
Home to God, home to God, home to God
