

# Damn Cold Night

Avril Lavigne

I'm standin' on the bridge  
I'm waitin' in the dark  
I thought that you'd be here, by now  
There's nothing but the rain  
No footsteps on the ground  
I'm listening, but there's no sound  
Isn't anyone tryin' to find me  
Won't somebody come take me home?  
It's a damn cold night  
Tryin' to figure out this life  
Won't you take me by the hand?  
Take me somewhere new  
I don't know who you are but I  
I'm with you, I'm with you  
I'm lookin' for a place  
I'm searchin' for a face  
Is anybody here I know  
'Cause nothin's goin' right  
And everything's a mess  
And no one likes to be alone  
Isn't anyone tryin' to find me?  
Won't somebody come take me home?  
It's a damn cold night  
Tryin' to figure out this life  
Won't you take me by the hand?  
Take me somewhere new  
I don't know who you are but I  
I'm with you, I'm with you, yeah  
Oh, why is everything so confusing?  
Maybe I'm just out of my mind  
Yeah yeah yeah yeah  
It's a damn cold night  
Tryin' to figure out this life  
Won't you take me by the hand  
Take me somewhere new  
I don't know who you are but I  
I'm with you, I'm with you  
Take me by the hand  
Take me somewhere new  
I don't know who you are but  
I'm with you, I'm with you  
Take me by the hand  
Take me somewhere new  
Don't know who you are but I  
I'm with you, I'm with you, I'm with you
