We Had It Right

Nellie McKay

Watching you glide towards me, dear
Oh, oh, oh, it's clear
Rumor was wrong, we were rightSwathed in all white as if a dove
Oh, oh, oh, my love
You heard it wrong, we're alrightThough your ears may hear it all, my friend
Rumor has it, rumor has it wrong
And though your eyes may see it happening
Rumor has it, rumor has it wrongWatching you walk towards me, sweet
Oh, so complete
Rumor was wrong, we're alrightClutching your coat as we depart
Oh, oh, oh, my heart
You heard it wrong, we're alrightRumor had it wrong
Rumor had it wrong
And we had it rightQuit talking about itRumor had it wrong
(Rumor had it wrong)
Rumor
(Rumor had it wrong, they had it wrong)
Rumors they had it, that was wrong
Rumor had it wrong
