

# Babyhead

## Diarrhea Planet

Nougat baby floatin' down  
On a cotton candy cloud  
Floating by a chocolate baby  
Thinkin' bout his creamy center  
Don't bite alright don't bite alright  
The nougat gets a taste  
Ask if it's appropriate slippin'  
Through wetness  
Nougat wants that goo  
Chocolate's paralyzed and can't move  
The goo just rushin'  
Enjoy chocolate sweet treat  
Chocolate needs relief  
Chocolate lost his goo you see  
Chocolate jumps on the nougat  
Tastin' and bitin' on the pillows  
Still not satisfied  
Enjoy chocolate  
Sweet treat lick it quit  
Lick it slick wiggin' insanity  
Givin' up the goo to the bones groove  
Givin' up the goo to the bones groove  
Givin' up the goo to the bones groove  
Givin' up the goo to the bones groove
