Love At War

JLS

Lay down your arms, guns on the floor
I don't want to fight with you no more
I'm calling ceasefire or a treaty
See, we both goin' to lose, best believe meWe're in the trenches, let's climb on out
'Cause our relationship is in doubt
Give me my orders and I'll oblige
'Cause it's killing me insideI'm like the walking wounded
My heart is ruined
Sick of dodging bullets
In this love at warSo tired of going through it
Don't think I can do it
This ain't what I bargained for
This love at warLet's clear the tactics
Stop with your razor sharp tones
Over reacting, I call for peace now
Let's make amends
Before this love affair endsOh, let's both be real
This love's a battle
Don't need the extra
Distractions we can't handleLet's fix the game plan
I'm thinking we can, yeah
Both of we just walk away
Love another dayI'm like the walking wounded
My heart is ruined
Sick of dodging bullets
In this love at warSo tired of going through it
Don't think I can do it
This ain't what I bargained for
This love at warBaby, I got to say it
This love at war
Something I never anticipated
This love at warNo easy way to deal with it
So sick and tired of dodging bullets
I declare I don't want to do this
Don't want to be left for deadI'm like the walking wounded
My heart is ruined
Sick of dodging bullets
In this love at warSo tired of going through it
Don't think I can do it

This ain't what I bargained for'Cause I'm like the walking wounded
My heart is ruined
Sick of dodging bullets
In this love at warSo tired of going through it
Don't think I can do it
This ain't what I bargained for
This love at warCan't take no more of this love at war
