

# Way Back Into Love

Hugh Grant, Haley Bennett

I've been living with a shadow overhead  
I've been sleeping with a cloud above my bed  
I've been lonely for so long  
Trapped in the past, I just can't seem to move on  
I've been hiding all my hopes and dreams away  
Just in case I ever need 'em again some day  
I've been setting aside time  
To clear a little space in the corners of my mind  
All I want to do is find a way back into love  
I can't make it through without a way back into love, oh oh oh  
I've been watching but the stars refuse to shine  
I've been searching but I just don't see the signs  
I know that it's out there  
There's got to be something for my soul, somewhere  
I've been looking for someone to shed some light  
Not somebody just to get me through the night  
I could use some direction  
And I'm open to your suggestions  
All I want to do is find a way back into love  
I can't make it through without a way back into love  
And if I open my heart again  
I guess, I'm hoping you'll be there for me in the end  
There are moments when I don't know if it's real  
Or if anybody feels the way I feel  
I need inspiration  
Not just another negotiation  
All I want to do is find a way back into love  
I can't make it through without a way back into love  
And if I open my heart to you  
I'm hoping you'll show me what to do  
And if you help me to start again  
You know I will be there for you in the end
