

Put That Ass To Work

LMFAO

Sexy girl all around the world just shake your hips
And put that ass to work Sexy girl all around the world just shake your hips
And put that ass to work Sexy girl all around the world just shake your hips
And put that ass to work Sexy girl all around the world just shake your hips
And put that ass to work When you hear my song, don't just bob along
Girl show me that thong and put that ass to work
We got Ciroc and Patron on live
If you want another shot, then put that ass to work Sexy girl I can tell you're a rebel
Low-cut skirt, with five-inch stilettos
Pink top, piercing with heavy metal
And you're looking at me like whipped cream on jello If you, if you, if you wanna go with me
You gotta be a pro indeed
Let me see you shake it till you make it
In my phone book and maybe I get you naked Sexy girl all around the world just shake your hips
And put that ass to work Sexy girl all around the world just shake your hips
And put that ass to work Sexy girl all around the world just shake your hips
And put that ass to work Sexy girl all around the world just shake your hips
And put that ass to work Don't hurt yourself, I'mma let you stretch
Then shake that booty like it was an etch-a-sketch
I love your wiggle, when your hips swivel
Looking so good, got my dang on missile Heat seeker coming straight for you
Meet me in my room, 1422, whoa
Let me see you shake it till you make it
In my phone book and maybe I get you naked, ow Sexy girl all around the world just shake your hips
And put that ass to work Sexy girl all around the world just shake your hips
And put that ass to work Sexy girl all around the world just shake your hips
And put that ass to work Sexy girl all around the world just shake your hips
And put that ass to work Put that ass to work
Put, put that ass to work
Skate on the grind Put that ass to work
Put, put that ass to work
I like it nine to five Put that ass to work
Put, put that ass to work
Skate on the grind Put that ass to work
Put, put that ass to work
I like it nine to five Work
Work
Work
Work Sexy girl all around the world just shake your hips

And put that ass to work
Sexy girl all around the world just shake your hips
And put that ass to work
