Looks Like Mona Lisa

Michelle Shocked

If she had it to do
All over again
It would be a photograph
She would have a wide grinBut no, it was an artist
With a longing, loving style
So when the paint was dry
All that remained was a
Faint strange smileShe's ripe with broken dreams
Her lovers never stay
It looks like Mona Lisa
Is having a bad day
Mona Lisa is having a bad day"The Book Of History
Has many missing pages"
Murmurs the Madonna
Of the Middle AgesBut in between her cracks
You can read between the lines
She'd love nothing better than
To rob the Louvre blindBaroque and complicated
Her lovers never stay
It looks like Mona Lisa
Is having a bad day
Mona Lisa is having a bad daySo please, just go away
Just go away, just go away
