## Alice Cooper

What did I do to deserve such a fate?  
I didn't really want to get involved in this thing  
Someone handed me this gun and I  
I gave it everything  
Yeah, I gave it everything I came into this life looked all around  
I saw just what I liked and took what I found  
Nothing came easy, nothing came free  
Nothing came at all until they  
Came after me Yeah hey, yeah What did I do to deserve such a fate?  
I gave it everything  
Now I need to escape  
Someone near me calling my name  
I gave it everything, I gave it everything
