

# Ready To Lose (Shaken-Up Version)

## The Knife

Thinking about a mouth that waters  
Thinking about losingSucking the marrow feeding a pain  
Facing a consequenceThe blood  
The mine  
The yours  
Combined  
Blood control  
A hazy line  
Rearranging  
Of desiresReady, ready to lose a privilege  
Ready, ready to lose a privilegeDysfunctional culture  
Spin me away  
Preserving a blood lineFear of suffering fear of loss  
Sucked in your birthrightsThe blood  
The mine  
The yours  
Combined  
Blood control  
A hazy line  
Rearranging  
Of desiresReady, ready to lose a privilege  
An ongoing habit  
A transfer of possessions  
Ready, ready to lose a privilege  
A final sequence  
An end to succession
