

Tongue Tied

[Candice Alley](#)

When my eyes aren't open wide
When it's hard to make the time
When words are so uptight
Thoughts collide If answers are unsure
I've been through this before
And an ocean fills my mind
I'm so tired You can make a face at me
But it's more than I can hide
You can place it all on me And even though I try
I am speaking slowly
But inside I am only wanting you
To hear me Too late to make a sound
And I can't drown it out
Too much to say aloud
I'm tongue-tied Too many strangers in the crowd
Only your face I have found
But with all the lines I try
I never find You can make a face at me
But it's more than I can hide
You can place it all on me And even though I try
I am speaking slowly
But inside I am only wanting you
To hear me Too late to make a sound
And I can't drown it out
Too much to say aloud
I'm tongue-tied
