I ain't playin' with no bitch, I'm in these streets strapped
I been grindin' for some time and I don't got it back
I been grindin' for some time, and that's a fact
Been grindin' all along fucked up the sack

Been grindin' all along, Thugger gave it back
Like a real nigga, yes sir, yes sir, I gave it back
I ran up me a big bag and I gave her some racks
I pulled up in a new Jag and I hope you don't slack
Mi llamo Papi Cap, I'mma pop your lap
Niggas shinin' like they greased up
Fuck us, please us, don't tease us
Bitch, I'm hot without a teacup
Ice on dollars make the freezer
Whip the cold off the Remy gun
They be tied up this is one-to-one
Hit your finger with my fucking palm
Let us fuck, a nigga not horney
Hell no, sleep with me
Give her this wood like a fuckin' tree
I know you miss me and I'm so humbling
They wanna see these bloods like they cuttin' me
You sure, go sleep with niggas
You'sa connoisseur you can't be with me
Now if you don't need me, you can't be with me
Baby girl, baby girl, if you like beef you can be with me
You not worth a dime, nah
Boy you not like us, you can not be a slime
I was thuggin' on a bus, and you can ask around
I just did a feature then I charged them ninety-nines
'Cause if you got dope then you got hope
Baby pussy wide as a boat
I'mma just tryna stand the applause
And I ran it up and now she know it
And my diamonds flawless like I'm Floyd, yeah
