Come On, Come In, Get On

Gary Glitter

Ther's a place I know,
Where the kids all go,
Put our best drag on,
Party all night long,There's a welcome at the door,
Once your in get on the floor,
Just the scene you're looking for,
I been there a million times or more,Come On Come In Get On,Yeah; Yeah; Yeah; Come In Come On Come On Get On,
Rock an'Rock an' roll you all,
people wll to wall,
Let your high heels down,
Jump around and around,People comes from miles and miles,
Just to boogie for a while
Don't it make you wanna smile,
The kind a noise that drive the neighbour wild,Come In Come On Come In Come On Get On,
