

Last Caress

[NOFX](#)

I got something to say
I killed your baby today
And it doesn't matter much to me
As long as it's dead Well I got something to say
I raped your mother today
And it doesn't matter much to me
As long as she spread Sweet lovely death
I am waiting for your breath
Let me take one last caress Go Sweet lovely death
I am waiting for your breath
Come sweet death, one last caress Well, I got something to say
I killed your baby today
And it doesn't matter much to me
As long as it's dead Sweet lovely death
I am waiting for your breath
Let me take one last caress One last caress, sweet death
One last caress, sweet death
