Opposites attract, I got you standing opposite, the mack
Cops pursuing, now I am swallowing the crack
This ain't your role model on the track, simple fact
This is call of duty, watch my gun nozzle through the map map
It's all about survival where we at
That's the reason why my father kept the rifle plus a bible on his lap
Hallelujah, I am playing my position, karma sutra
And anybody play me out position ima shoot yaYo it's mic check, check

Where they made a lucky man out of Charlie Luciano
I cut from a different material
I scratch off the serial numbers, for its time to get rid of you
Revenge of Big Den, cocksucker, check check
Aim for the face, but his neck next
Promises promises, well baby boy, this is not a death threat
