Say What You Will

Scandal

You want to run
You want to hide
You think the truth
Will go away
And you won't have to decide
I want you here
I want you now
To tell me
We can find a way
And we will make it somehow
Say what you will
It's only a dream
Do what you want
It's only me
Who just keeps turnin' away
When I hear what you say
Cause I don't know
What I can do
To make you look at me
The way I used to beYou want my word
You want a sign
But I know your heart
Will never see
And I will be always blind
So baby
Say what you will
It's only a dream
Do what you want
It's only me
Who doesn't seem to know
Or I just won't let go
To this feelin'
That pulls at my heart
So I'll take it slow
And if you have to go, Baby
It's only a dream
Do what you want
It's only me, Baby
It's only a dream

Darling, do what you want
It's only me, Baby
Do what you want
It's only me
