Wishing Well

Morphine

I move smooth underwater
I know my way around
And everybody knows me
I grew up in this townI got one million, two million
I can't remember how many million
Millions and I'm exactly
Where I want to be right nowOh yeah, ooh ho, I got a callback
From the wishing well
Oh yeah, alright, I got a callback
From the wishing wellI don't even have to shoot
I don't even have to aim
I just smile
Deal me inI got one million, two million
I can't remember how many million
Millions, I'll tell you, I'm exactly
Where I want to be right nowAlright, okay, I got a callback
From the wishing wellI move smooth underwater
Crisp like a waterfall
I move smooth underwater
I know my way aroundI got one million, two million
I can't remember how many million
Millions and I'm exactly
Where I want to be right nowAlright, alright, I got a callback
From the wishing well
Oh yeah, alright, I got a callback
From the wishing well
