## Here

## **America**

I am thinkin' 'bout the days we led ourselves astray
In more than many ways
Here, within the time we've spent wonderin' what we meant
(Here)

By livin' all those years

(Here)

By livin' all those years

We are here with nothing to do today

It's something we can't explain

And tomorrow, where will we be tomorrow?

What will we see today?

I am thinkin' 'bout the days we led ourselves astray

In more than many ways

Here, within the time we've spent wonderin' what we meant

(Here)

By livin' all those years

(Here, here, here)
