

# Hard to Concentrate

## Red Hot Chili Peppers

Hustle, bustle, and, so much muscle (oh!)  
Cells about to separate  
Now I find it hard to concentrate  
And, temporary this  
Cash and carry I'm  
Stepping up to indicate  
The time has come to deviate  
And, all I want is for you to be happy  
And, take this moment to make you my family  
And, finally you have found something perfect  
And, finally you have found...  
Death defying this  
Mess I'm buying it's  
Raining down with love and hate  
Now, I find it hard to motivate  
And, estuary is, blessed but scary, oh  
Heart's about to palpitate  
Now, I'm not about to hesitate And, want to treasure the rest of your days here  
And, give you pleasure in so many ways dear  
And, finally you have found something perfect  
And finally, you have found... Here we go Do you want me to show up for duty?  
And, serve this woman, and honor her beauty  
And, finally you have found something perfect  
And, finally you have found...  
Yourself... with me, will you  
Agree to take this man  
Into your world And now, we are as one  
My lone ranger  
The heat-exchanger  
Is living in this figure eight  
Now I do my best to recreate  
And, sweet precision  
And, soft collision, oh  
Heart's about to palpitate  
Now I find it hard to separate  
And, all I want is for you to be happy  
And, take this woman and make you my family  
And, finally you have found someone perfect  
And, finally you have found...

oh!

All I want is for you to be happy

And, take this woman and make you my family

And, finally you have found someone perfect

And, finally you have found...

Yourself
