Love Is To Die (11.01.13)

Warpaint

Your eyes stare
Am I humble as I go
I'm holding in tight
To something long as I go
Am I humble as I go
I found a way
To look towards this day
But it all hooked up
This could only go one way
I'm not alive, I'm not alive without you
I'm not alive, I'm not alive without youLove is to die, love is to not die, love is to dance
Love is to dance
Love is to die, love is to not die, love is to dance
Love is to danceAll on my own, it's confirmed
There's no world to compromise
Tonight, you really see nothing of this girl
They work, they don't know the roots behind
'Cause I got a knife to cut out the memories
So carefully, too carefully, it's not necessarily
To be so dark
Got to give in, got to give in
Learn to align, last time older
Got to give in, got to give in
Learn to the fiveLove is to die, love is to not die, love is to dance
Love is to dance
Love is to die, love is to not die, love is to dance
Love is to dance
