Who Will the Next Fool Be

Jools Holland; Tom Jones

After you get rid of me
Who will the next fool be?
I know, I know, I know,
I know, I know...
There's things he'd like to know
About the girl I love so
After all is said and done
You won't be satisfied with anyone
So after you get rid of me
Who will the next fool be?

Will he believe all of those lies?
And end up like me, with tears in his eyes?
I know, I know, I know,
I know, I know, I know...
And I'd like to be the one to tell it so
After all is said and done
You wouldn't be satisfied with anyone
So after you get rid of me
Who will the next fool be?
