One More Reason

Fevered Dreams

Angel mercy, tears like rain
Hurt so good, can't feel no pain
Paint it black, drives me insane
So far gone, I'm not the sameYou give me one more reason
One more reason to die
You give me one more reason to dieY'all be blood with no regrets
English words, they won't forget
Crimes of passion, cigarettes
Move by night, he won't suspectThat you give me one more reason
One more reason to die
You give me one more reason to dieAnd I ask myself
The same question every night
What makes me restless
What makes me fightCar ahead eliminate
Smoking gun that sealed their fate
Flesh and blood to instigate
Can't go back it's far too late for youYou give me one more reason
One more reason to die
You give me one more reason to die
You give me one more reason to die
You give me one more reason
