

There's Only One Way to Rock

Sammy Hagar

I've heard it called by different names
All over the world but it's all the same
There's so many ways to make love
A million ways, I've been thinking of, yeah You sayin'
"There's only one way
There's only one way to rock" How many things can get you high?
Gonna try 'em all just once before I die
And you can analyze this situation
To me it's all just mental masturbation, oh There's only one way
There's only one way to rock, oh yeah
There's only one way
There's only one way to rock Now quickly, check the hands on the clock
It's 8:05, it's time to rock
This world can disagree
They don't understand how it can be
It is not my point of view
It's a fact, St. Louise, and you know that it's true There's only one way
There's only one way to rock
There's only one way
There's only one way to rock, oh yeah Crank up the drums, crank out the bass
Crank up my Les Paul in your face, yeah There's only one way
There's only one way to rock
There's only one way
There's only one way to rock There's only one way
There's only one way to rock, I can't hear you
There's only one way, there's only one way
There's only one way
