# Between Mind & Heart

## Enigma

It's hard to find the balance
When you are in love
You're lost in the middle
'Cause you have to decide
Between mind and heart
Between mind and heartHeart is the engine of your body
But brain is the engine of your life
Between mind and heartHeart is the engine of your body
But brain is the engine of your life
Between mind and heart
Between mind and heart
Between mind and heart
