

# Between Mind & Heart

## Enigma

It's hard to find the balance  
When you are in love  
You're lost in the middle  
'Cause you have to decide  
Between mind and heart  
Between mind and heartHeart is the engine of your body  
But brain is the engine of your life  
Between mind and heartHeart is the engine of your body  
But brain is the engine of your life  
Between mind and heart  
Between mind and heart  
Between mind and heart
