Oh Poor You

The Muffs

I've been away now
Sorry, if I can't believe my ears
Maybe if they weren't so filled with tears
You'd see, ooh whee
You could find something to beBut when you're lonely
You should think of better things to do
But you loaf around without a clue
Oh yeah, don't laugh
Oh, poor you, what can you do?Oh, poor you, why can't you see?
Oh, poor little you, what can you be?
Nothing to me, oh yeahYou cry and cry yourself into the ground
What you're looking for, you'll never find in me
Ooh whee, look into yourself
And see and you'll be free
