

What Makes a Man

Westlife

Oh yeah

This isn't goodbye even as I watch you leave

This isn't goodbye, I swear I won't cry

Even as tears fill my eyes, I swear I won't cry Any other girl I'd let you walk away

Any other girl I'm sure I'd be okay Tell me what makes a man wanna give you all his heart

Smile when you're around and cry when you're apart

If you know what makes a man wanna love you the way I do

Girl you gotta let me know, so I can get over you What makes her so right?

Is it the sound of her laugh, that look in her eyes?

When do you decide?

She is the dream that you seek, that force in your life When you apologize no matter who was wrong

When you'd get on your knees if that would bring her home Tell me what makes a man wanna give you all his heart

Smile when you're around and cry when you're apart

If you know what makes a man wanna love you the way I do

Girl you gotta let me know, so I can get over you Oh, other girls will come along, they always do

But what's the point, when all I ever want is you? Tell me Tell me what makes a man wanna give you all his heart

Smile when you're around and cry when you're apart

If you know what makes a man wanna love you the way I do

Girl you gotta let me know, let me know

Girl you gotta let me know, so I can get over you
