

# Jump Then Fall

## Hushabye Baby

I like the way you sound in the morning  
We're on the phone and without a warning  
    I realize your love is the best sound  
        I have ever heard  
    I like the way I can't keep my focus  
        I watch you talk, you didn't notice  
    I hear the words, but all I can think is  
        We should be together  
    Every time you smile, I smile  
    And every time you shine, I'll shine for you  
        Whoa, I'm feeling you baby  
    Don't be afraid to  
        Jump then fall  
    Jump then fall into me  
    Baby, I'm never gonna leave you  
    Say that you wanna be with me too  
    'Cause I'm gonna stay through it all  
        So jump then fall  
    Well, I like the way your hair falls in your face  
    You got the keys to me, I love each freckle on your face  
        Oh, I've never been so wrapped up, honey  
    I like the way you're everything I ever wanted  
        I had time to think it over  
        And all I can say is come closer  
        Take a deep breath and jump  
        Then fall into me  
    'Cause every time you smile, I smile  
    And every time you shine, I'll shine for you  
        Whoa, I'm feeling you baby  
    Don't be afraid to  
        Jump then fall  
    Jump then fall into me  
    Baby, I'm never gonna leave you  
    Say that you wanna be with me too  
    'Cause I'm gonna stay through it all  
        So jump then fall  
    The bottom's gonna drop out from under our feet  
        I'll catch you, I'll catch you  
    When people say things that bring you to your knees

I'll catch you  
The time is gonna come when you're so mad you could cry  
But I'll hold you though the night until you smile  
Whoa oh, I need you baby  
Don't be afraid please  
Jump then fall  
Jump then fall into me  
Baby, I'm never gonna leave you  
Say that you wanna be with me, too  
'Cause I'm gonna stay through it all  
So jump then fall  
Jump then fall, baby  
Jump then fall into me, into me, into me  
Every time you smile, I smile  
And every time you shine, I'll shine  
And every time you're here, baby, I'll show you  
I'll show you, you can  
Jump then fall  
Jump then fall  
Jump then fall  
Into me, into me
