Always On

Death from Above 1979

Innocence is fadin'
'Cause we see it here too much
Everyone you know around you
Always keep in touchShow me something new
Somethin' I can like
'Cause we're always, always on nowIf we bought Kurt back to life
There's no way he would survive
No way, not a dayI've been losin' sleep
Just keepin' up with what's become
Reachin' out for something else
When all I want is love'Cause you can't turn off
You're always on
Who is that callin' on the phone
Cut the ring, can't ignore
No one alone, not anymore
'Cause we're always, always on nowIf we bought Kurt back to life
There's no way he would survive
No way, not a dayIf we bought Kurt back to life
There's no way he would survive
No way, not a day
