

Touch Me Touching You

Alphabeat

I like to get to know you, baby
Touch me touching you
If that's what you wanna do
You have to touch me touching you

I like to get to know you, baby
Touch me touching you
If that's what you wanna do
You have to touch me touching you

Can I touch you baby?
(of course you can)
Can I touch you baby?

You still a stranger to me ba-ba-baby
Touch number one and the stranger is gone

I like to get to know you, baby
Touch me touching you
If that's what you wanna do
You have to touch me touching you

Can I touch you baby?
(of course you can)
Can I touch you baby?

You still a stranger to me ba-ba-baby
Touch number one and the stranger is gone

I like to get to know you, baby
Touch me touching you
If that's what you wanna do
You have to touch me touching you

Can I touch you baby?
(of course you can)
Can I touch you baby?

Can I touch you baby?
(of course you can)

Can I touch you baby?
(of course you can)

I like to get to know you, baby
Touch me touching you
If that's what you wanna do
You have to touch me touching you

I like to get to know you, baby
Touch me touching you
If that's what you wanna do
You have to touch me touching you

Can I touch you baby?
Can I touch you baby?
Can I touch you baby?
Baby, can I touch you baby?
Can I touch you baby?
