Mind Reader

Sebadoh

Look, baby, I'm not a mind reader
You're gonna have to tell me so
You're lookin' down at your shoes again
Take us down off of a cloudI'm ridin' high in the sky
You'd have to tell me so
Look, baby, I ain't extrasensory
You can't reach me with your new telepathyIt's raining down all your blues again
Take us down off of a cloud
I'm ridin' high in the sky
You'd have to tell me soI'm not a mind reader
I'm not a mind reader
I'm not a mind reader
I'm not a mind reader
