Curious Boy

Justin Hines

She's all over the walls
With my heart in tow
But when she sings to the Lord
Man, that girl's got soul.

She's living her days full out
Pulling stars from the dark
Ohh, and she talks so good
Reminds me of Cassius or Marx

No but talkin don't mean it's for life

I don't know what it is that I'm lookin at
But I think I like what I see
Yeah, you got the attention of me
This curious boy

She takes pride in the art
Of her best laid plans
But if the winds bring a change
She keeps her head above sand

She's taking a chance on love
Ohh, with a slow intent
But when the courting began
She gave me the flowers instead

No but courting don't make her my wife

I don't know what it is that I'm lookin at
But I think I like what I see
Yeah, you got the attention of me
This curious boy

Is your heart a window
I can look right in
Or a mirror not worthy of my reflection
It doesn't matter, no it doesn't matter
I'll still get t o the bottom of yu

I don't know what it is that I'm lookin at
But I think I like what I see
Yeah, you got the attention of me
This curious boy

This curious boy

This curious boy
