

Damn Rough Night (feat. Austin Bello)

Artist vs. Poet

It's gonna be a damn rough night
for the designated driver.
'cause it's me and whoever
and you know we won't remember. Sorry for what I'm about to do.
Turning 21 is a bitch to go through. Before we take a drink, let's toast
to the never have I ever's.
'cause tonight is the night that
we'll talk about forever. So take my keys and hide my cell phone.
If I turn into trouble, at least I warned you. Let's recap and get caught up.
No one said enough's enough.
I let go the better part of me. I guess I had a damn rough night.
I'm still piecing it together.
There's a girl in my bed
and I haven't even met her. I had a damn rough night
and I can't even remember.
Threw my clothes in the fire
and I turned into a streaker. Sorry for what I'm about to do.
Turning 21 is a bitch to go through.
All these crazy things we do.
Turning 21 is a bitch to go through. I heard I was a big chaotic
mess at the occasion.
Was a total disaster and
now I'm fading faster. I'll keep the score never realized
so I pass the time until I feel alive.
And I am not like this all the time. Let's recap and get caught up.
No one said enough's enough.
I let go the better part of me. I guess I had a damn rough night.
I'm still piecing it together.
There's a girl in my bed
and I haven't even met her. I had a damn rough night
and I can't even remember.
Threw my clothes in the fire
and I turned into a streaker. Sorry for what I'm about to do.
Turning 21 is a bitch to go through.
All these crazy things we do.
Turning 21 is a bitch to go through. And if I had the chance
you know I'd do it all again.
And if I had the chance
you know I'd do it all again. Looks like I had a damn rough night.

I'm still piecing it together.
There's a girl in my bed
and I haven't even met her. They say I had a damn rough night
and I can't even remember.
Threw my clothes in the fire
and I turned into a streaker. Sorry for what I'm about to do.
Turning 21 is a bitch to go through.
All these crazy things we do.
Turning 21 is a bitch to go through. Sorry for what I'm about to do.
Turning 21 is a bitch to go through.
All these crazy things we do.
Turning 21 is a bitch to go through
is a bitch to go through.
