

Like an Outlaw For You

Social Distortion

Like an outlaw
I'd lie for you,
I'd kick and scream and do time for you.
I'd rob and steal and go without meals and
Terrorize the town
For you - for you.
Like an outlaw
I'd lurk in the baddest part of town. I'd wait there for you baby
Until they hunt me down
For you - for you
Like an outlaw
They'd put a price on my head
Wanted dead or alive or painted a bloodied red
For you - for you
Like an outlaw
I'd kill for you
I'd kick and scream and hang for you
I'd go inside and kick some hide and
Bury a man who died
For you - for you
