

# Queen of the Forest

**Ted Nugent**

Do you remember her name  
She standing for a long long time  
She got the magic wand  
To make it rain or sunshineCHORUS:  
She got the power to turn on the light  
She got the power to turn on the light, light, light  
She the queen of the forest.queen of the forestqueen of the forestShe takes care of the creatures  
She provide all of their needs  
With her they have a much better chance now  
To stay happy and freeCHORUS
