

The One Within

Witchery

Barren plains unholy ground
A silent scream darkness abound
Mythical rhymes spoken by few
Fiendish uprising a legend come true?[Chorus:]
Ungodly pleasures mortal sins
Feeding the one within
Rise again Rise againInverted crosses bloodstained sand
Ancient symbols carved in hand
Godless creatures odium fortold
Devoured by vermin a corpse without soul
[Chorus]Risen from below
Captor of your soul
For beyond retrieve
Forsaken by your god
Barren plains unholy ground
A silent scream darkness abound
Close the circle nocturnal feast
Upon the flesh hellhounds unleashed[Chorus]
