

Your Love Is Incredible

Sisqo

Uh
Ooh
Oh baby baby yeah
Baby baby
Listen
Girl I peeped you on the corner
So I rolled up on ya late one Saturday
You was peelin' a banana
I was lookin' at ya
Thinkin' she freaky
(That night)
That night I gotta getcha
Gotcha Gucci underwear in my back pocket
Mmm and I can't get you outta my mind
Girl I can't get enough of it
'Cuz
Your love is incredible
You can say it's unforgettable
Can't believe it's merely sexual
'Cuz your love is incredible, incredible
Said your love is incredible
You can say it's unforgettable
Can we make it more than sexual?
'Cuz your love is incredible, incredible, incredible
I'm thinkin' about the things that you did to me
Imagine your body movin' like a centipede
I want ya to know that I'm ready to be
All over your body
(Baby you got all I need)
I like the way you got the softest lips
(Alright)
Infatuated by the way you kiss me
Oh girl I'm tellin' you wit you is where I wanna be
You know you drive me crazy
'Cuz
Your love is incredible
You can say it's unforgettable
Can't believe it's merely sexual

'Cuz your love is incredible, incredible
Said your love is incredible
You can say it's unforgettable
Can we make it more than sexual?
'Cuz your love is incredible, incredible, incredible
Break it down, break it down
Ooh
Baby
Ooh
Yeah
Yeah yeah
Yeah yeah
Yeah yeah
Baby
I know that your love is
Your love is incredible
You can say it's unforgettable
Can't believe it's merely sexual
'Cuz your love is incredible, incredible
Said your love is incredible
You can say it's unforgettable
Can we make it more than sexual?
'Cuz your love is incredible, incredible, incredible
Yeah
Your love is incredible
You can say it's unforgettable
Can't believe it's merely sexual
'Cuz your love is incredible, incredible
Said your love is incredible
You can say it's unforgettable
Can we make it more than sexual?
'Cuz your love is incredible, incredible, incredible
